PROJECTS
Land Assembly Project: Approval of Revised Terms to Development Agreement with Gayanga Co., LLC for 14584 Livernois, 14445 Lawton, 14440 Wildemere, and 14445 Linwood
Ms. Jackson presented the Land Assembly Project: Approval of Revised Terms to Development Agreement with Gayanga Co., LLC for 14584 Livernois, 14445 Lawton, 14440 Wildemere, and 14445 Linwood to the DBRA Board.

The City of Detroit (the “City”) administration has requested the assistance of the Detroit Brownfield Redevelopment Authority (“DBRA”) in industrial land assembly activities aimed at establishing market-ready industrial sites within City limits in order to attract manufacturing and logistics companies (the “Land Assembly Project”).

On August 26, 2022, the DBRA Board of Directors authorized the negotiation and execution of a development agreement for the properties located at 14584 Livernois, 14445 Lawton, 14440 Wildemere, and 14445 Linwood, Detroit, MI, (collectively, the “Properties”) with Gayanga Co., LLC (the “Developer”). Pursuant to the terms approved by the DBRA Board, the Properties were to be sold to the Developer for a purchase price of $701,000 with a credit provided to Developer at closing for an amount equal to the eligible brownfield costs for demolition and remediation activities and the Developer was to construct, in two phases, an approximately 20,000 sf commercial and industrial space for business offices, training facilities, and equipment rental and storage facilities on the Properties.

Following discussions with Developer, DBRA staff determined that it was necessary to amend certain terms previously approved by the DBRA Board to allow for Developer to obtain title to the Properties in a way that best aligns with its proposed business model and to revise certain timelines and milestones to afford Developer sufficient time to complete the project. The proposed revised terms are attached hereto as Exhibit A (the “Revised Terms”). DBRA staff seeks the Board’s approval of the Revised Terms and the
negotiation and execution of a Development Agreement with the Developer, or such other entities that are wholly owned or controlled by the Developer and/or Brian McKinney, consistent with such Revised Terms (the "Development Agreement").

A resolution approving the Revised Terms and the negotiation and execution of the Development Agreement consistent with the Revised Terms was attached for the Board's consideration.

Mr. Scott called for a motion approving the Land Assembly Project: Approval of Revised Terms to Development Agreement with Gayanga Co. LLC for 14584 Livernois, 14445 Lawton, 14440 Wildemere, and 14445 Linwood, as presented. The Board took the following action:

Mr. George made a motion approving the Land Assembly Project: Approval of Revised Terms to Development Agreement with Gayanga Co. LLC for 14584 Livernois, 14445 Lawton, 14440 Wildemere, and 14445 Linwood, as presented. Ms. McClain seconded the motion. DBRA Resolution Code 23-01-262-50 was approved. Ms. DeSantis abstained.

Red Arrow Brownfield Plan
Mr. Vosburg presented the Red Arrow Brownfield Plan to the DBRA Board.

Project Introduction
Oxford Perennial Corktown PropCo II, LLC is the project developer ("Developer"). The Property was developed in 1894 as the John Whittaker Planing Mill and in 1916 the building was expanded to the current footprint. From the 1920’s to the 1970’s, the building was occupied by the Red Arrow Bottling Works. The project includes the redevelopment of the Property into a residential development, including approximately 22 units (1 studio, 16 one-bedroom units and 5 two-bedroom units). At least 10% of the units will be designated as affordable at 60% of the Area Median Income (AMI). The development also includes 8 integrated parking spaces, tenant storage, and amenity space. It is currently anticipated construction will begin in 2023 and eligible activities will be completed within 18 months.

The total investment is estimated to be $11.9 million. The Developer is requesting $1,207,400.00 in TIF reimbursement.

There will be approximately 64 temporary construction jobs and approximately 3 permanent jobs are expected to be created by the project.

Property Subject to the Plan
The eligible property (the “Property”) consists of one (1) parcel, 1567 Church Street, which is bounded by Church Street to the north, 10th Street to the west, an alley to the south, and a parking structure to the east in the Corktown neighborhood.

Basis of Eligibility
The Property is considered “eligible property” as defined by Act 381, Section 2 because (a) it was previously utilized for a commercial purpose; (b) is located within the City of Detroit, a qualified local governmental unit; and (c) the Property is a historic resource as defined by Act 381.

Eligible Activities and Projected Costs
The “eligible activities” that are intended to be carried out at the Property are considered “eligible activities” as defined by Sec 2 of Act 381, because they include department specific activities, demolition, lead and asbestos abatement, infrastructure improvements, site preparation, interest, and the development, preparation and implementation of a brownfield plan and Act 381 Work Plan. The eligible activities and budgeted costs are intended as part of the development of the Property and will be financed solely by the Developer. The Authority is not responsible for any costs of eligible activities and will incur no debt. The eligible activities are estimated to commence within 18 months of approval of the Plan and be completed within 3 years.

Tax Increment Financing (TIF) Capture
The Developer desires to be reimbursed for the costs of eligible activities. Tax increment revenue generated by the Property will be captured by the DBRA and used to reimburse the cost of the eligible activities completed on the Property after approval of this Plan pursuant to the terms of a Reimbursement Agreement with the DBRA.

### Project Introduction
XYZ 20-01 DBH, LLC is the project developer (“Developer”). The Property was developed as the Florian Apartments in 1911, stores and flats in 1913, and the Danish Brother Hood Hall in 1915. The Florian Apartments, stores and flats at 1785 W. Forest Avenue were removed in the early 2000’s. Historical uses include a laundry, clothes presser, cleaner and tailor in 1921 and 1940. The Property is currently vacant and was last used as a church around 2010. The project includes the redevelopment of the former fraternal
hall building at 1775 W Forest into a multi-use community event space with three small commercial spaces as well as two short-term rental units.

The total investment is estimated to be $8.2 million. The Developer is requesting $1,416,445.00 in TIF reimbursement.

Public Comments
The DBRA public hearing for the Plan was held on Monday, January 9, 2023 at 5:00 pm via Zoom. The results of the DBRA public hearing are attached.

Attached for the Board’s review and approval was a resolution approving the Danish Brotherhood Hall Brownfield Redevelopment Plan and its submittal to Detroit City Council.

Ms. DeSantis asked how the capital stack will be affected by the Developer not pursuing the Obsolete Property Rehabilitation Act (OPRA) tax abatement. Mr. Vosburg stated that that capital stack will not be affected, but that the Developer will be reimbursed for Eligible Activities faster without the OPRA.

Ms. DeSantis asked for more information on why the OPRA will not be pursued. Mr. Vosburg stated that Ms. Jackson evaluated the financials of the project in order to provide a recommendation on the OPRA request. Ms. Jackson stated that in DEGC’s review of the financials of the project, the returns for the project exceeded the thresholds for abatements and it was determined that the OPRA was not required to make the project viable.

Mr. Dueweke pointed out an error in the title of the Danish Brotherhood Hall Public Hearing Minutes.

Ms. Elias asked if the project will be pursuing a rezoning for the project. Mr. Lockwood stated that the Property included in the Plan does not need to be rezoned and that there is an additional project on adjacent parcels that will require a rezoning.

Mr. Scott called for a motion to approve the Danish Brotherhood Hall Brownfield Redevelopment Plan and its submittal to Detroit City Council, as presented. The Board took the following action:

Mr. George made a motion to approve the Danish Brotherhood Hall Brownfield Redevelopment Plan and its submittal to Detroit City Council, as presented. Ms. Elias seconded the motion. DBRA Resolution Code 23-01-313-02 was unanimously approved.
